

Collected Knowledge & Wisdom on

Hubblesite API

Provides:

This API provides access to all news, images, and videos from the Hubble telescope

Key Provisioning:

Pain factor (*0=eypz...5=nightmare*): 

- None needed

Quotas:

- For performance reasons, the information will be cached for 30 minutes.

The Good:

- Very simplistic and is easy to use
- You are not given a bunch of information you can't even decipher
- Gives you a variety of versions of the same image with different sizes

The Bad:

- Nothing really

The Ugly:

- Still nothing really
